

Corrigendum to

Wagner, J.-M., & Carstensen, J., “Local Series Resistance: Why the Model of Independent Diodes Fails and How to Understand Silicon Solar Cells in General by the LR-Rs Concept”, SiliconPV Conference Proceedings, vol. 3. TIB Open Publishing, Dec. 12, 2025. DOI: <https://doi.org/10.52825/sili-conpv.v3i.2714>.

This article was originally published on 12 December 2025. The PDF and HTML versions were updated on 16 December 2025 to correct the following issues.

(i) In the *Acknowledgements*, the name “J. Giesecke” has been corrected to “J. Greulich”.

(ii) In the HTML version, the typesetting of equations (1) and (2) was updated so that the characters “2” in Δ_2 , “z” in J_z (equation 1), and “2” in Δ_2 (equation 2) appear as subscripts, and the character “*” in equation (2) appears as a superscript on V (V^*).
